

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People v Anthony Richard Williams**
Docket No. **253114**
L.C. No. **03-032769-FH**

William C. Whitbeck, Chief Judge, acting under MCR 7.211(E)(2), orders:

Appellant's brief on appeal is **STRICKEN** because it addresses a case for which no appeal has been filed. Appellant's brief on appeal challenges only defendant's conviction and sentence in Monroe Circuit case number 03-32764-FH and no appeal is pending with respect to this case number. The instant appeal is only from Monroe Circuit case number 03-32769-FH. Since appellant's brief is stricken, the appellee's brief in response is also ordered **STRICKEN**.

The Clerk is directed to submit the matter for action on the involuntary dismissal docket under MCR 7.217 if an appellant's brief addressing case number 03-32769-FH or a stipulation to dismiss the appeal is not filed within 28 days after the Clerk's certification of this order.
